# ELEMENTARY VIRTUAL EDUCATION

Bringing Grades 1<sup>st</sup> – 5<sup>th</sup>  
Education Home!

- Exciting News! CCS is expanding its virtual option to 1st–5th students, giving families more flexibility while maintaining high-quality instruction!

- Fun and engaging activities to keep students inspired
- Self paced lessons that challenge student thinking

- Structured Daily Schedule
- Full course load with Math, ELA, Science, and electives
- STEM & Art projects, Reading Groups

- Our virtual education ensures students receive the same instruction as our in-person learners, while fostering independence in a safe, online environment.
