Dear Parent/Guardian,

The students at Northview High School and North Clay Middle School will have the opportunity to have a dental screening, dental sealants (to prevent tooth decay), and fluoride varnish.

This is an excellent opportunity for students who do not have regular dental screenings or who have never been to the dentist. If your child sees their dentist regularly, you do not need to fill out the form or return anything to school.

The form-titled DENTAL CONSENT FORM is what you will need to complete and return back to school. You can also complete the form online. If you do not understand the paperwork, need assistance in filling out the forms, or have any questions please contact your school nurse. A parent/guardian may accompany their child if necessary, please call for more details.

The Dental Safari staff will be at Northview High School and North Clay Middle School on Friday, May 16, 2025

There will be no charge to students who have Hoosier Healthwise, they also accept insurance, and there is a sliding scale for those who have no form of insurance.

Please return the form by Tuesday, May 13, 2025, if you are interested in your child participating in this program.

Sincerely,

*Amber Sindors, BSN, RN
